

Athletics....

This year athletics is being done very differently than previous years. All students will be allowed to participate for any sports as long as they are eligible, based on grades and having proper documentation, i.e. physical forms and parent consent forms.***

The first four weeks of a sport will be a clinic or intramural type program, the fee is **\$60** and there will be no **CUTS**. After the four weeks is completed, all students will participate in a tournament. Once the tournament is finished, the coach will pick an **ALL STAR TEAM**. This team will be made up of **15** students, and they will travel to different schools and compete as previous years. The additional cost to be on the **ALL STAR TEAM** is **\$30**.

The following are the sports that are for 2nd quarter

Boy's Basketball 7th Coach Ginzer

Boy's Basketball 8th Coach Koczka

Girl's Softball 7th Coach Bergs

Girl's Softball 8th Coach Beling

PRACTICE MAY BEGIN OCT. 20TH

Practice times vary based on each coach and will be more specific once the season arrives.

***All students must have a valid physical as well as **two** parent consent forms before being allowed to participate. **ALL PHYSICAL CARDS AND PARENT CONSENT CARDS MUST BE IN TO COACH GINZER BEFORE OCT 10, 2009. STUDENTS MAY DROP THEM OFF AT THE FRONT OFFICE (MRS. BERGS).**
